

An Irish Legend : The Two Giants

This legend is the story of two giants : Benandonner, **who** was Scottish, was in Scotland, and Finn Mc Cool, **who** was Irish, was in Ireland.

One day, they argued.

Benandonner shouted :

“You smell like a rotten fish !”

Finn Mc Cool was furious, **so** he took a huge/an enormous piece of earth and threw it at Benandonner **but** he missed his target and it fell into the sea.

As a result, an island was formed/created

OU

...the piece of earth became an island : the Isle of Man.

And a lake was formed in its place, Lough Neagh.
